Patrol PC, a Division of Advanced Electronic Design, Inc. Statement of Compliance - Buy America Act

Date: August 1, 2015

Patrol PC, a division of Advanced Electronic Design, Inc., is a sole-source US manufacturer of ultra-rugged, advanced mobile data terminals/computers (MDT's/MDC's) that are optimized for use in in Police, Fire and EMS vehicles. We are proud to certify that our computers are designed, manufactured, assembled and supported at our headquarters premises in North Attleboro, Massachusetts.

I certify that the following Patrol PC computer products listed below comply with Section 165 of the Surface Transportation Act of 1982 (Buy America):

**Patrol PC RT-12i Rugged Tablet Computer
Patrol PC RhinoTab Computer**

The Buy America Act, 23 U.S.C. § 313, prohibits States from using highway grant funds under 23 U.S.C. Chapter 4 to purchase products, unless they are produced in the United States. This prohibition applies to steel, iron and all manufactured products, unless the Secretary of Transportation has determined that it is appropriate to waive the Buy America Act requirement. There is no minimum purchase threshold that exempts the need for a waiver. For compliance purposes, American-made covers any product that is manufactured or assembled in the United States.

Thank you for your consideration of Patrol PC products, and feel free to contact me if you have any questions/issues.

Best Regards,

David J. Swithers

President
